

JUNE 4-6 • 9 AM - 3 PM
AW BROWN LEADERSHIP ACADEMY - GYM
6901 S WESTMORELAND ROAD • DALLAS, TEXAS 75237

All users are invited to attend this three-day training for a more in-depth look at the cloud-based software offered by DMAC. Each day will highlight new features and provide tips for using the applications efficiently. **Please bring your own fully charged device (BYOD)** to the event if you would like to follow along with the presenters.

DAY 1: Data, Appraisals & School Plans

- **State Assessment** – Find relevant STAAR and TELPAS reports to analyze, trend, and compare data – Generate reports related to accountability measures
- **T-TESS/T-PESS** – Complete the appraisal cycle
- **SIP** – Develop campus and district improvement plans
- **And more!** – DMAC Exports, lead4ward, Utilities, etc.

Day 2: All About Local Assessments

- **TAG Test Item Bank** – Create quality local assessments
- **TEKScore** – Analyze results using the real-time one-click report feature in your Dashboard

Day 3: Student Documentation & Plans

- **Student Portfolio** – Includes plans, assessment history, notes, forms, uploads and more
- **LPAC** – Fill out meeting paperwork, complete forms and get digital signatures
- **Rtl** – Document interventions and monitor student progress
- **PGP** – Create 4-year plans or document plans for At-Risk students
- **SSI** - Print state mandated forms and letters
