

MAY 20-22, 2019 | 9 AM - 4 PM | Bring your own Device

SOUTH PADRE ISLAND CONVENTION CENTER

Have you DMAC'd lately? Current DMAC users and those interested in previewing DMAC are welcome to join us at the Tech Conference. DMAC Specialists will be there to highlight the latest changes to the software along with new enhancements slated for 2018-19 ---- There is always more to see!

A few of the areas we'll cover include:

- **TEKScore:** Online Student Responses and 1-click Reports from the Dashboards
- **LPAC:** Digital signatures, new forms, reports and more
- **SIP** (Campus & District Plans): Critical Success Factors and the Commissioner's 4 Priorities
- **RtI:** Data exports, filtering for specific information and more in Response to Intervention
- **FormWorks®:** Collecting and reporting on custom data
- And More!

Please note, this meeting will highlight information across A LOT of software in a short amount of time. If your school would like more in-depth training, please contact us and we can provide you with additional options.
