DMAC Academy
VIRTUAL

DMAC Across Texas

July 30 - Aug 1 (Tues - Thurs)
9 a.m. - 4 p.m.
Via Zoom

Three full days of training offering a more in-depth look at the software. Each day highlights different applications -- ***BRING YOUR OWN DEVICE (BYOD)***

VIRTUAL TRADING - Register for days individually!

July 30 - Session 303032

Data Analysis and Planning

Utilize the pieces of DMAC designed for Administrators, Counselors, Testing Coordinators, Interventionists, Team Leaders and other District/Campus staff.

- State Assessment – Generate relevant STAAR and TELPAS reports to analyze, trend, and compare data
- T-TESS/T-PESS – Complete the appraisal cycle and calibration for TIA
- PlanWorks® – Develop campus and district improvement plans
- lead4ward – Analyze both local and state data utilizing lead4ward reports
- Data Export – Export local, state and national data for further analysis

July 31 - Session 303026

Local Assessments

Use local data in DMAC to improve instruction. Create and manage quality online assessments.

- TAG - Test Item Bank – Create quality local assessments using interactive item types for online testing
- TEKScore – Collect and analyze data using one-click reports and Dashboards

August 1 - Session 303024

Student Documentation and Plans

- Student Portfolio – View plans, assessment history, notes, forms, uploads and more
- FormWorks® – Create custom online forms
- LPAC – Create meetings, complete forms and collect digital signatures
- Learning Plans (MTSS/ALP) – Document interventions, monitor student progress and track state-wide requirements
