

STAAR Interim Assessments

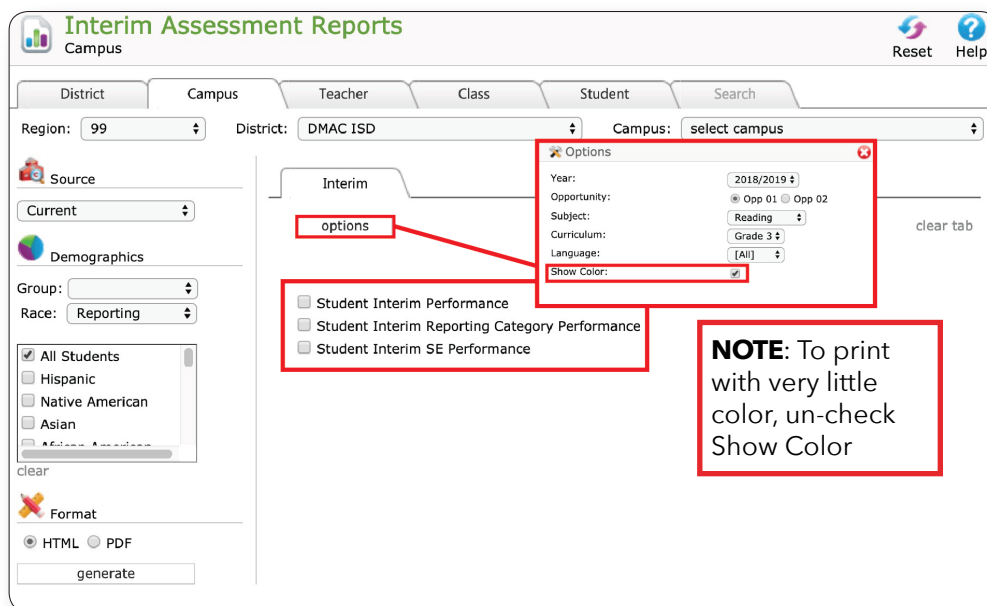

TEA provides districts with interim assessments for grades 3-8 Math and Reading, Spanish Grade 3-5 Math and Reading, Algebra I, English I and English II. Students begin with Part 1. After completion, students are routed to a corresponding Part 2 based on their Part 1 performance. Probability of a student achieving Approaches, Meets and Masters in STAAR tests is then estimated based on student performance on both sections in an interim test.

A Data File for all students will be available two weeks after the test window closes. It is the responsibility of the district to upload their STAAR Interim Data File to DMAC. For assistance, please contact the **DMAC Help Desk (866.988.6777)**.

STAAR Interim Data can be accessed in DMAC. To access this data:
